ANTIPAS NYAMBOK

Head of Operations - The Nairobi Hospital
Chairman HHPA KENYA

From HHPA Chairman **ANTIPAS NYAMBOK**

Dear Friends,

I am delighted to welcome you to the inaugural magazine of **REGIONAL HOSPITALITY ROOMS DIVISION SUMMIT & EXPO - MAY 2024**.

Tourism is taking its rightful place at the forefront of global business. In 2022, Kenya's tourism performance continued a recovery path. International tourist arrivals were 1,483,752 which represents 70.45% increase as compared to 2021 arrivals of 870,465 Domestic Hospitality faces groundbreaking, and at times painful, reform to satisfy the increasing demand from local and international stakeholders to achieve value for money, higher growth, efficiency, and profitability.

This is critical and especially after Covid-19 pandemic. At the same time, our hotels and institutions cannot afford to miss opportunities across the country and globally as an international footprint-the key steps for survival.

This issue is here to serve these readers whether in Nairobi or Mombasa Kenya, New York London, Hong Kong, Singapore, Dubai or beyond. We understand your demanding requirements and are ready to satisfy them, in print, practical out of your visit or through our online platforms at www.hhpa.com

We trust that this issue will be a welcome source of intelligence to international and Kenya-based businesses and firms as they adapt and expand to take advantage of Kenya's growing openness. The directive by **H.E. President Dr. William Ruto** to waive Visa requirements to the world, who are desirous of entry to Kenya either as a tourist or for business ventures was a great milestone for tourism sector in this great country Kenya.

We have been overwhelmed by the support we have received so far, and I would like to offer my sincere thanks to everyone & especially our main sponsor **Dr. Mattress** who has been involved in every step and has come out to support this initiative. To all HHPA fraternity and other stakeholders, I salute you.

Most of all I would like to thank you, the readers of our inaugural issue.

I would be delighted to hear your comments or suggestions and I encourage you to write to us if you have any views or opinions on the stories in this issue.

We look forward to hearing from you and to serving you.

ENJOY THE MAGAZINE.
